

GUEST INFORMATION

As a guest of an Olympic Hills Member, we welcome you to enjoy all that Olympic Hills has to offer. The following information is intended to make your visit comfortable and enjoyable.

What you need to know before you arrive...

Be aware of our dress code and cell phone policies, which are designed to maintain an atmosphere consistent with the traditions of the game of golf.

Men's Attire: Shorts must be Bermuda length, shirts must be tucked in and have a collar or a higher mock neck. Fatigue style cargo shorts, tee shirts and denim are not permitted. Hats must be worn with the brim facing forward. Please remove your hat when inside the clubhouse.

Women's Attire: Shorts/skirts must be Bermuda length, about mid thigh. Shirts must have either sleeves or a collar and may be worn out if fashion permits. Tee shirts and denim are not permitted.

Cell Phones: Please place your cell phone ringer on silent or vibrate while on the golf course or practice areas. If it is necessary to return/place a call, please go to an area where you will not disturb other players. Please do not use your phone in the Grille (restaurant).

What to do when you arrive...

Upon arrival into the parking lot, please follow signage to the *Bag Drop Area* where you will be greeted by our Outside Services staff. Please inform them of your tee time and/or who you will be playing with. Your clubs will be taken to the driving range or placed on a cart. After parking your vehicle, you are welcome to use a guest locker in our locker room to change clothes and shoes. The Locker Room Attendant will be happy to lock your locker for you upon request.

Inside each guest locker you will find a complimentary *Shoe Shine Info* card. Please fill out this card and follow the instructions if you wish to have your street shoes cleaned and polished while on the golf course.

If you arrive before your host member...

You are welcome to visit the Golf Shop, Grille or begin warming up at our various practice facilities. As a guest, you are entitled to purchase items in the Golf Shop for the member pricing.

What happens after the round...

Upon completion of your round, you will be directed to the Cart/Bag Area on the south side of the clubhouse, where your clubs will be cleaned, placed in your car if you wish, or transported back to the Bag Drop Area for you to pick up when you are ready to leave. From the Cart/Bag Area you will have easy access to the Locker room and Grille.
